# 2018-2019 ANNUAL REPORT

# THE RED VEST & APRON BRIGADE THANKS YOU!!

Dear Friends and Community Partners,

What makes Assistance League stand out from other national nonprofit organizations is not only that is entirely run by volunteers, but that each of the 120 chapters decide what is best for its own unique community.

Here in the Columbia Pacific region, our 126 volunteer members have been active in the community working hard to fulfill our mission of improving the well-being and self esteem of local kids in need in our community.

As you review our annual results in the following pages you will bear witness to the incredibly positive impacts our Philanthropic programs are having.

Organizationally we also tackled some major endeavors including a comprehensive Strategic Plan review, improved our financial position, grew membership and embarked on a technology project to centralize our record keeping.

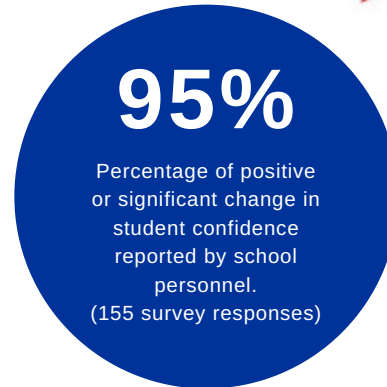

**We continue to strengthen our foundation which, coupled with the support of our National Organization, ensures we will be able to serve our beloved community and improve the quality of life for all in the region- for the long-term!**

On behalf of myself and the outgoing 2018-2019 Board of Directors, thank you for your support over the past year! We could not have achieved these endeavors without it and the many hours of service, creativity and dedication from our member volunteers.

Jessica Newhall  
President (2018-2019)

Our signature program provides new clothing and hygiene items to school children across all school districts in Clatsop County. We dress kids in the fall and spring and serve emergency needs as they arise.

Volunteers

Long serving at Operation  
School Bell NIKE Night

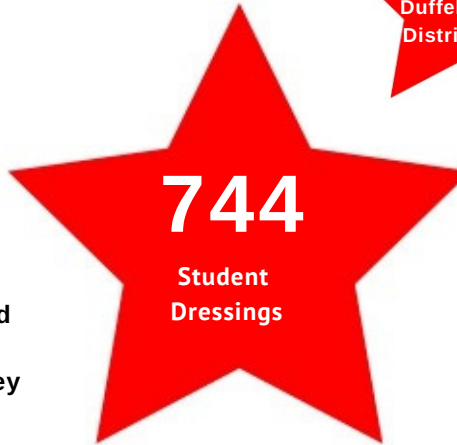

A child's worn-out shoe being swapped for a new one at Astor Elementary

**OPERATION  
SCHOOL BELL  
EXPENDITURE:  
\$70,316**

## DUFFEL BAG PROGRAM

When a child is placed in foster care, often they do not have any belongings to take with them. Assistance league provides age-appropriate, pre-filled duffel bags that include items such as a blanket, book, stuffed animal, pajamas, a set of clothing and personal items give care and comfort to children during this difficult time.

## CINDERELLA'S CLOSET

With an inventory of over 500 gowns to choose from, we help ensure that every young woman in our county has access to formal wear for their school dances.

## SCHOOL SPONSORED ACTIVITIES SCHOLARSHIP PROGRAM

This Program aims to give every Clatsop County student the opportunity to participate in extra-curricular activities that require a fee from the student including athletics, cultural, scholastic, arts, music, robotics and much more!
